10 THINGS TRUMP HAS DONE TO IMPROVE AMERICA

Ten wins you can point to when you talk to friends and neighbors, and ten reasons the House majority has to hold on November 3, 2026.

- | | | | |
|-----------|--|-----------|---|
| 01 | President Trump secured the border, ended catch-and-release and oversaw more than three million removals and departures. | 02 | Passed the Laken Riley and HALT Fentanyl Acts while strengthening commercial-driver English requirements. |
| 03 | Presided over the sharpest declines in violent crime and murder in decades. | 04 | Made the Trump Tax Cuts permanent while adding deductions for tips, overtime, seniors and car-loan interest. |
| 05 | Created Trump Accounts, including \$1,000 for eligible newborn American children. | 06 | Reduced prescription-drug prices, with the prescription-drug price index falling nearly 3 percent. |
| 07 | Secured a NATO commitment for allies to begin paying their fair share of defense costs. | 08 | Ended federal DEI programs, restoring merit-based policies and while reversing Biden-era military base renamings and other woke policies. |
| 09 | Expanded welfare work requirements, reduced federal energy subsidies and permanently restored full business expensing. | 10 | Reduced the federal workforce while keeping men out of women's sports and women's prisons. |
